

HURRICANE HARVEY RELIEF EFFORT---BLOOMINGDALE **CARES**

As we watched the devastation in Houston unfold, we've tried to figure out how to harness the power of our own community to be a positive force for change and today we're asking for your help.

Whether it's just a few canned goods or a whole pallet of supplies, we welcome individuals and fellow businesses in our community to drop off whatever you can manage to:

STRATFORD SQUARE MALL – FORMER JC PENNEY'S STORE

This community has shown we are capable of amazing things, now let's help another community to build itself again.

We can accept donations from **September 1st through September 18th**

10:00 AM – 8:00 PM Monday – Friday
